

DEVELOPMENT REVIEW COMMITTEE (DRC) PRE-APPLICATION MEETING FORM

Prior to applying for a site plan, rezoning, or plat, applicants are encouraged to meet with the DRC to discuss the property and the proposed project and learn about the City of Heath’s development review process to establish the most efficient path the project to follow. The DRC includes staff from Community Development, Public Works, Capital Improvement Programs, and Public Safety. The Pre-Application Meeting and results do not constitute a permit, or the first permit in a series of permits. The applicant is not requesting vesting at the Pre-Application Meeting, and the City of Heath is not granting it.

Upon receipt of a complete Pre-Application Meeting Form and the required items, the staff will schedule a meeting with the DRC. The first Pre-Application Meeting is free. Each subsequent DRC Pre-Application Meeting is \$300. Send complete forms and required items to David Gonzales, **Director of Community Development**, at dgonzales@heathtx.com.

NOTE: INCOMPLETE APPLICATIONS will be rejected, and the applicant will be asked to provide additional information before a meeting can be scheduled.
