Project Description _____

Foundation repair permits are required to have a Licensed Engineers Evaluation Report and Recommendation with site plan and pier details to be submitted with this permit application. Engineer Inspection Report is due on final inspection.

I am the owner, the contractor or the duly authorized agent of the above property. I agree to comply with all codes and Ordinances of The City of Heath. This permit is issued on the basis of information furnished in this application and on any submitted plans or documents, and is subject to the provisions and requirements of the 2021 International Residential Code and The City of Heath's Code of Ordinances. If any information is found to be untrue or incomplete this permit may be revoked and all construction stopped until a new permit has been approved and issued. Permission is hereby granted to enter the premises to make inspections. I hereby accept all conditions herein and certify that all statements herein recorded by me are true.
